PONTE VEDRA BEACH, FL February 24, 2020 — On Saturday February 22, 2020 Beaches Go Green partnered with the Rotary Club of Ponte Vedra Beach to host a beach and community clean-up at Mickler's Beach in Ponte Vedra, FL.

The event was sponsored by ERC, WastePro, ShoreLine Equity Partners, Berry & Co. Real Estate, Gordon Family Chiropractic, Brightway Insurance, Hana Financial Group Inc, and Payroll Savvy, Inc. Food and drinks were donated by Trasca & Co. Eatery.

Over 263 volunteers came together for the clean-up. Over 650 pounds of trash and recyclable materials were collected and sorted. Strange item included: car parts, street lanterns, landscape lights, fuel drums, a bed frame and a commercial fishing net & hooks.

Approximately 342 cigarette butts were collected. Cigarette butts are usually the most common items found as they are the most littered items on the planet. Beaches Go Green will be sending these cigarette butts to Terracycle to be recycled.
